DETAILED ACTION

Drawings

The replacement drawings received on 11/8/04 are acceptable. Therefore, the objection to the drawings is removed.

Reasons For Allowance

Claims 1, 3, 4, 6, and 7 have been allowed over the prior art.

The following is an examiner's statement of reasons for allowance: prior art could not be located that taught forming an image sensor chip package wherein the resin layer arranged between the chip and the protection plate absorbs light having a wavelength shorter than the wavelength of visible light. This limitation, in conjunction with the other claim limitations, was neither disclosed in, nor suggested by, the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The prior art cited but not relied upon teaches the state of the art.
